

OCCA News Flash—Summer 2014

## OCCA Chinese School News

Fall registration is in-progress! OCCA Chinese School is currently enrolling students for the Fall semester, and it's also accepting new students at all levels right now. And here are some exciting news OCCA Chinese School is bringing to you this Fall:

### New Program

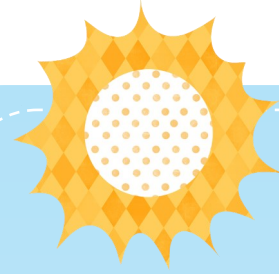

Due to many requests over the years from families with Chinese children, we have finally decided to open a new class for children who want to learn Mandarin for the first time! This class will be using teaching material and method designed with non-Chinese or families that don't speak Mandarin in mind. If your child is between 6-12 and is interested in learning Mandarin, you don't want to miss this opportunity. Spots are limited so act fast. Please go to [www.OCCACHineseSchool.com](http://www.OCCACHineseSchool.com) for more information. Online registration and payment are available.

### New Location

OCCA Chinese School will be moving to Skutt Catholic High School. We are very grateful for the opportunity to use Skutt Catholic High School as our home on every Saturday starting this Fall. Not only it's in a great location, but more importantly we believe the school environment and facility are great for our students too. The new address is 3131 156th St, Omaha, NE68130

For more information about OCCA Chinese School, go to [www.OCCACHineseSchool.com](http://www.OCCACHineseSchool.com). Be a friend of OCCA Chinese School - "Like" our Facebook page, it's a great way to get any quick updates!

OCCA Chinese School is a non-profit language learning center, established since 2008. It is an affiliation of Omaha Chinese Culture Association (OCCA). Currently OCCA Chinese School has about 70 students learning Mandarin every Saturday.
